Mr. Randy A. Stonerod
Deputy City Attorney
City of Temple
2 North Main Street, Suite 308
Temple, Texas 76501

OR2011-06044

Dear Mr. Stonerod:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 421065.

The City of Temple (the "city") received a request for a specified report. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential, including section 773.091 of the Health and Safety Code, which provides in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex,

occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Upon review, we agree that the submitted information constitutes an emergency medical services ("EMS") record and is confidential under section 773.091. We note that records that are confidential under section 773.091 may be disclosed to "any person who bears a written consent of the patient or other persons authorized to act on the patient's behalf for the release of confidential information." *Id.* §§ 773.092(e)(4), .093. Section 773.093 provides that a consent for release of EMS records must specify (1) the information or records to be covered by the release; (2) the reasons or purpose for the release; and (3) the person to whom the information is to be released. You do not indicate that the city has received adequate consent for release of this information. Therefore, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code, except as specified by section 773.091(g).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
